

Enrich your Cygnet experience and make an impact

PRODUCERS CIRCLE

Producers Circle members are passionate about Cygnet's work and choose to make a substantial gift to sponsor a student matinee, orchestra, production or an entire season.

As a nonprofit company presenting high-quality, daring and diverse programming, Cygnet relies on charitable contributions from individuals as well as private and public sources to accomplish our mission. Ticket sales only cover 45 percent of the actual costs of producing a show, so the generosity of our patron is essential to maintaining artistic integrity while keeping ticket prices affordable.

Producers Circle members get the exclusive behind-the-scenes Cygnet experience while providing invaluable support to fund our artistic and outreach programs.

For more information about making a Major Gift to Cygnet Theatre, please contact Development Director Marinda Peugh at 619-574-0059 x121 or Marinda@CygnetTheatre.com.
